

The first time you access your accounts through NetTeller, you agree to be bound by the terms and conditions of this NetTeller Agreement ("Agreement") and acknowledge its receipt and your understanding of its terms.

Introduction

This Agreement explains the terms and conditions for accessing accounts and conducting transactions at **First State Bank of Blakely** ("Institution", "we", "us" and "our") via our online banking site(s) ("NetTeller"). As used in this Agreement, the terms "you" and "your" refer to each person signing a NetTeller Application.

Benefits of NetTeller

Through NetTeller, you can manage eligible accounts from your home or office on a personal computer. NetTeller can be used to conduct any of the following:

Obtain balances and transaction histories on all eligible accounts enrolled in NetTeller (All account balances and transaction histories reflect activity through the close of the previous banking day);

Transfer money between eligible accounts (The number of transfers you can make from an account is limited as described in the applicable account agreement. In addition, if a hold is placed on any funds deposited in an eligible account, you may not transfer the portion of funds being held until that hold expires); transfer money to pay Institution consumer loans, home equity loans, or certain other eligible loans; and pay bills to any merchant, financial institution or an individual with a U.S. address.

Institution may, from time to time, introduce new online services. By using those services when they become available, you agree to be bound by the terms contained in this Agreement, and its subsequent amendments.

Security & Protecting Your Account

We are strongly committed to protecting the security and confidentiality of our customer accounts information. We use several techniques to help secure our NetTeller service, including the following:

- You can only access Institution with certain browsers that have a high security standard.
- Your account numbers are never displayed in full.
- You must have a valid NetTeller User ID and password to logon.
- If no action is taken for 10 minutes, you will be automatically logged off the NetTeller service.

In addition to compatible software, you must have an NetTeller User ID, a password and maintain one or more of the following eligible accounts at Institution:

- Personal Checking
- Interest Checking
- Senior Checking
- Personal Money Market

Password

Your password will give you access to Institution accounts via NetTeller. Institution is entitled to act on any instructions it receives using your password. For security purposes, it is recommended that you memorize your password and do not write it down. We also recommend that you change your password regularly to try and avoid misappropriation by a third party. Your password can be changed at our NetTeller site. You are responsible for keeping your password and account data confidential. When you give someone your password, you are authorizing that person to use NetTeller. You are responsible for all transactions performed using your password, even if you did not intend or authorize them. In addition, fraudulent transactions initiated using your password will be charged against your account(s).

Accessibility

You can usually access NetTeller seven (7) days a week, twenty-four (24) hours a day. However, at certain times, some or all of Online Financial Services may not be available due to system maintenance or reasons beyond the Institution's control. The Institution does not warrant that NetTeller will be available at all times. When unavailable, you may use an automated teller machine ("ATM") or call our office to conduct your transactions.

Fees and Charges

There is currently no charge for the use of NetTeller and Bill Pay described in this Agreement.

Restrictions

You may not appropriate any information or material that violates any copyright, trademark or other proprietary or intellectual property rights of any person or entity while using the NetTeller Services. You may not gain, or attempt to gain, access to any NetTeller Service servers, networks or data not specifically permitted to you by the Institution or its suppliers, and you must not include any obscene, libelous, scandalous or defamatory content in any communications with the Institution or its suppliers.

Accessing the Service

When you complete your NetTeller online enrollment form, the institution will contact you with your User I.D. and an initial password. You will be prompted to change your password the first time you log in to the system. You may also change your Username to a name that is easier for you to use. You will be prompted to answer a series of security questions and choose an MFA image for added security. After you have completed the enrollment process, you will use the User ID, the password, the security questions, and MFA image you selected to access NetTeller.

After the initial setup of your NetTeller account, you will be asked to enter your User ID and Password. The correct responses will give you access to the Service.

Online Financial Services

An online transaction initiated prior to 4 PM ET on a banking day is posted to your account the same day. An online transaction initiated after 4 PM ET will be posted the next banking day. Online transaction(s) will be processed according to the previous cutoff time unless otherwise stated in this agreement.

Bill Payment Service

This is your bill paying agreement with First State Bank of Blakely, Inc. You may use First State Bank's bill paying service "Bill Pay" to direct First Bank to make payments from your designated checking (account) to the Merchants you choose in accordance with this agreement. The terms and conditions of this Agreement are in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Account (the Account Rules).

"You" or "your" means each person who is authorized to use the Service. "Merchant" means anyone, including the Financial Institution, you designate and the Financial Institution accepts as a payee.

How to setup Merchants and Payments

Bill Pay can be accessed through the NetTeller menus by clicking the Bill Pay tab at the top of the screen. Merchants and Bill Pay accounts can be setup within the Bill Pay menus.

The Bill Pay Process

Bill payment transactions will only be processed on business days. You can access the Services 24 hours a day, seven days a week, except during any scheduled maintenance periods. Business days for bill payment transactions are defined as Monday through Friday, 3:00 a.m. through 1:00 p.m. ET, except Federal bank holidays. After 1:00 p.m. ET, transactions are processed the following business day. The Financial Institution will process variable payments on the business day you designate the bill is to be processed, provided the payment request is received prior to cutoff (1:00 p.m. ET). The Financial Institution reserves its right to change the cut-off time by giving you notice if it changes.

FOR RECURRING PAYMENT REQUESTS, IF YOU DESIGNATE A PROCESSING DATE OF THE 28TH THROUGH THE 31ST OF A MONTH, PROCESSING WILL BE INITIATED ON THE LAST CALENDAR DAY OF THE MONTH.

Otherwise, recurring payment requests will be processed on the dates you have designated, unless such date falls on a non-business day resulting in your payment being processed on the next business day.

YOU MUST ALLOW AT LEAST FIVE (5) BUSINESS DAYS, PRIOR TO THE DUE DATE, FOR EACH BILL PAYMENT (RECURRING OR VARIABLE) TO REACH THE MERCHANT. (IT IS THE RESPONSIBILITY OF THE SUBSCRIBER TO SCHEDULE/ACTIVATE RECURRING PAYMENTS) Due to circumstances beyond our control, some Merchants take longer to post payments than others. We suggest sending your first payment eight (8) business days in advance of the Due Date. After your first payment has posted you will have a better understanding of how much time to allow for each Merchant.

You must select a Payment Date that is at least five (5) business days before the actual Due Date reflected on your Payee statement. If your actual Due Date falls on a non-business day you must select a Payment Date that is at least one business day before the actual Due Date. Payment Dates should be prior to any late date or grace period.

When you have scheduled a payment, you authorize the Financial Institution to debit your Payment Account and remit funds on your behalf. You certify that your Payment Account is an account from which you are authorized to make payments and any payment you make will be debited from this account. You also authorize the credit of returned payments from using the Bill Pay Service.

The Bill Pay Service will incur no liability and a Service Guarantee shall be void if the Bill Pay Service is unable to complete any payments initiated because of any of the following:

1. You have not provided the Bill Pay Service with the correct payment account information, or the correct name, address, phone number, or account information for the Merchant upon initiation of the payment; and/or,
2. Circumstances beyond the control of the Bill Pay Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Bill Pay Service has taken reasonable precautions to avoid those circumstances;
3. The payment-processing center is not working properly and you know or have been advised by the Bill Pay Service about the malfunction before you execute the transaction;

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all Bill Payments requested, as well as, any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a Bill Payment if you fail to comply with this requirement or any other terms of this agreement. If you do not have sufficient funds in the Account and the Financial Institution has not exercised its right to reverse or reject a Bill Payment, you agree to pay for such payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts with the Financial Institution to cover such payment obligations.

The Bill Pay Service reserves the right to select the method in which to remit funds on your behalf to your Merchant.

Any Bill Payment can be changed or canceled, provided you access the Service prior to the cut-off time on the business day prior to the business day the Bill Payment is going to be initiated.

Returned Payments

In using the Service, you understand that the Service and/or the United States Postal Service may return payments for various reasons, such as, but not limited to, the Service account number is not valid; the Service is unable to locate account; or Payee account is paid in full. The Service will use its best efforts to research and correct the returned payment, or void the payment and credit your Payment Account. You may receive notification from the Service.

Liability

You are solely responsible for controlling the safekeeping of and access to your password. You are liable for all transactions you make or that you authorize another person to make even if that person exceeds his or her authority. If you want to terminate another person's authority, you must notify the Financial Institution and arrange to change your password. You will be responsible for any Bill Payment request you make that contains an error or is a duplicate of another Bill Payment. The Financial Institution is not responsible for a Bill Payment that is not made if you did not properly follow the instructions for making a Bill Payment. The Financial Institution is not liable for any failure to make a Bill Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Merchant for a Bill Payment. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent. In any event, the Financial Institution will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution has knowledge of the possibility of them. The Financial Institution is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's reasonable control.

Amendment and Termination

The Financial Institution has the right to change this Agreement at any time by notice mailed to you at the last address shown for the Account on the Financial Institution's records, by posting notice in branches of the Financial Institution, or as otherwise permitted by law.

The Financial Institution has the right to terminate this Agreement at any time. You may terminate this Agreement by written notice to the Financial Institution. The Financial Institution is not responsible for any fixed payment made before the Financial Institution has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by the Financial Institution on your behalf.

Fees

There are no fees associated with NetTeller and/or bill pay.

The Financial Institution reserves the right to charge you for research time involving payments no longer available in your screen history. You will be informed of any such charges before they are incurred.

Some Bill payments are processed by Electronic Fund Transfers (EFT). Please see the Electronic Fund Transfers Disclosure Statement included, or, received when you opened your account, which discloses important information concerning your rights and obligations.

Neither Institution nor its suppliers will be liable for any transaction if: (i) you do not have enough money in your account to complete the transaction; (ii) a legal order prohibit withdrawals from your account; (iii) your account is closed or has been frozen; (iv) the transaction would cause your balance to go over the credit limit for any credit arrangement set up to cover overdrafts; (v) you, or anyone you allow, commits fraud or violates any law or regulation in connection with NetTeller or Online

Financial Services; (vi) any electronic terminal, telecommunication device or part of the electronic fund transfer system is not working properly; (vii) you did not provide us with complete and correct payment or transfer information; (viii) you did not properly follow the instructions for use of NetTeller Services; (ix) you knew that NetTeller Services were not operating properly at the time you initiated the transaction or payment; (x) there is postal delay; or (xi) circumstances beyond our control (such as fire, flood or improper transmission or handling by a third party) that prevent, hinder or delay the transaction.

Unauthorized Transactions

You should notify us immediately if you believe anyone has improperly obtained your password or if you suspect any fraudulent activity in your account(s). If your password has been compromised and you tell us within two (2) business days of discovering the loss or misappropriation, you can lose no more than \$50. If you do not tell us within the two (2) business day period, you could lose as much as \$500 if we could have stopped the use of your accounts had we received notice in a timely manner. You should contact us, or the bill payment provider, as applicable, as soon as you identify any errors or discrepancies in your statement or transaction record, or if you need any information about a transaction listed on the statement or transaction record. We must hear from you no later than sixty (60) days after we have sent the first statement on which the problem or error appeared (If you notify us verbally, we may require that you send us your complaint or question in writing or electronically within ten (10) business days). If you fail to notify us within the sixty (60) day period, you may not recover any of the money you lost if we can establish that the loss could have been avoided had you notified us on time. We may extend these time periods for good reasons such as out-of-town travel or extended hospital stays.

When you report a problem or discrepancy, please: (i) tell us your name and account number; (ii) describe the error or the transaction you are unsure about, and explain why you believe it is in error or what additional information you need; (iii) tell us the dollar amount of any suspected error; and (iv) for a bill payment, tell us the number of the account used to pay the bill, the applicable payee name and account number, the date the payment was sent, the payment amount and the payment reference number. Generally speaking, we will tell you the results of our investigation within ten (10) business days, or five (5) business days in the case of point of sale by Visa, and twenty (20) business days if the transfer involved a new account after we hear from you. However, we may take up to forty-five (45) days, or ninety (90) days in the case of point of sale or international transactions, to investigate your complaint or question. In this case, we may provisionally credit your account so that you have use of the money during the time it takes us to complete our investigation. If you fail to provide your complaint or question in writing within ten (10) business days of a request from us to do so, we reserve the right to not credit your account. If we confirm an error, we will correct your account record within ten (10) business days, or five (5) business days in the case of point of sale transaction or twenty (20) business days if the transfer involved a new account. If we determine that there was no error, we will send you a written explanation within three (3) business days after we conclude our investigation and will debit any interim amounts credited to your account. You may request copies of any documents that we use in our investigation.
